## Build your brand

Sponsorship is a very effective way to raise the profile of your company, products and services.

Chamber International works with more than 4,000 companies across the UK and is uniquely placed to help you reach importers and exporters within the Chamber networks we serve. From independent SMEs and owner-managed businesses through to large multi-national organisations such as Sulzer Pumps, Cummins Turbo Technologies and McCain Foods.

## Lasting gains

Media activity is an important part of our sponsorship work and we have access to editorial contacts in different sectors and different media. We regularly place stories about our events, training courses and key services in regional print and broadcast outlets, and international trade titles.

## Benefits

We will meet with you at the outset to discuss your aims and objectives and to see how we can achieve the greatest possible return on your investment. Some of the benefits you can expect include:-

- Media press log and column inches count to measure the value of publicity achieved
- Heightened level of regional brand awareness
- Pre and post-event marketing (Circulation figures:- e-zines 12,000; Magazines 10,500; Websites 100k monthly hits)
- Joint branding on materials
- Promotional materials included in information packs

## Opportunities

Sponsorship starts from as little as £500 and opportunities for 2013 include:

- Chamber International and e-Cert websites
- Business information packs
- Training programmes
- Speaking opportunities
- Seminars and workshops
